

REGULATOR FORUM

PAVING THE WAY FOR REGULATORY INTERACTIONS

ABOUT ACCUMULUS SYNERGY

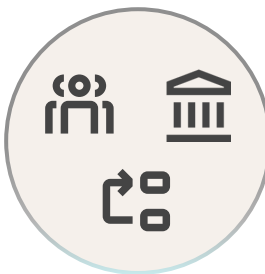

Accumulus Synergy is an industry trade association advocating to accelerate policies for digital transformation. By uniting industry, policymakers, and technology leaders, we are building a collaborative ecosystem where emerging science and policy evolve together. We strive to ensure that policies evolve with innovation to better serve patients around the worldwide.

PURPOSE

The purpose of the Regulator Forum is to capture **national regulatory authority and regulatory body** perspectives on the following topics:

- Emerging technologies
- Seamless data exchange
- Streamlining regulatory interactions
- Digital transformation policies

Engaging with regulatory authorities and regulating bodies in this manner helps to ensure that the strategic direction of Accumulus Synergy meets their needs.
